Grayson is the son of Tecia Russell and George Alford Jr. of Ocala, FL and leaves behind maternal grandparents Anja Natalli of Ocala, FL, Ted & Sunny Talcott of Sarasota, FL, maternal great-grandmother Mildred Talcott of Sarasota, FL, paternal grandmother Sharon Comer of Palatka, FL, siblings Kaylyn Alford and Kelsey Alford of Palatka, FL, along with many extended aunts, uncles and cousins. We will be having a Celebration of Life event for Grayson on Sunday, August 26, 2012 beginning at 2:00pm. If you would like to attend, please contact the family for details. "Babies are Angels that fly to the earth, their wings disappear at the time of their birth. One look in their eyes and we are never the same, it's a little one we created and gave a name. Little eyes open, an everlasting bond, as we hold him while he slips into the beyond. A bond we now have that will never sever, as our Baby is now an Angel that we will love forever." ~ Unknown May you Rest in Peace our Beautiful Baby Boy....I will love you forever Grayson Mika Alford.

“ *Native American Prayer I give you this one thought to keep - I am with you still - I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am sunlight on ripened grain, I am the gentle autumn rain. When you awake in the morning's hush I am the swift, uplifting rush ...Of quiet birds in circled flight. I am the soft stars that shine at night. Do not think of me as gone - I am with you still - in each new dawn. Know that no matter what he is always with you and George ... I know it isnt the same as holding hi or smelling him but he will always be around you. Pay attention to lil clues and that will be him saying hello. I love you guys !!*

“ Our little fella made such a great impact in such a short time. His little spirit caused so many hearts to bond together. Even now, we continue to watch our family grow together in strength and love, due to his tiny, wonderful self. Circumstances could have kept him from us, but we were given such a special blessing...two weeks of knowing this beautiful, beautiful creation. What an honor! Every good and perfect gift is from above and we are very grateful to the Lord for allowing us the sweet presence of our little Grayson. The difference he has made in our lives is truly amazing. A part of his little spirit rests forever within our hearts. Love never truly says good-bye, only farewell. Until we meet again...now and forever, Pawpaw and Nana Talcott We love you sweet baby boy.

“ Papa please don't look so sad, Mama please don't cry. I am in the arms of Jesus and He sings me lullabies. Please do not try to question God, don't think He is unkind. Don't think He sent me to you and that He changed His mind. You see, I am special and I'm needed up above. I'm the special child you gave Him, the product of your love. I'll always be there with you. So watch the sky at night. Find the brightest star that's gleaming. That's my halo's brilliant light. So Papa please don't look so sad. Mama please don't cry. I am in the arms of Jesus. And He sings me lullabies.

“ Oh, little boy, we looked forward to the day you would be born, But alas, the Lord left us forlorn. You didn't leave us without a fight. You fought to stay on Earth with all your might. You are now resting in the Heavens above, You left surrounded by your family's strong love. Our arms are now empty, our hearts are so sad, You will always be remembered by your mom and your dad. So to God your tiny soul we release. We know that your heart is at eternal peace.

“Just because you cannot see me does not mean I am not there. Just because I am in heaven does not mean I do not care. I often see you crying, You often say my name. I want to hold you tight, I want to ease your pain. Its easy for me for I know Heaven is real. If only you knew the truth, how much better you would feel. One day we will meet again, But only when the time is right. When you step out of the darkness, I will be standing in the light.” ~ Unknown

“Daddy please don't look so sad, momma please dont cry. Cause I'm in the arms of Jesus, and he sings me lullabies. Please try not to question God, dont think he is unkind. Don't think he sent me to you and then changed his mind. You see I'm a special child, I am needed up above. I'm the special gift you have Him, a product of your love. I'll always be there with you, so watch the sky at night. Look for the brightest star and know that's my halo's brilliant light. You'll see me in the morning frost that mists your window pane. That's me in the summer showers, I'll be dancing in the rain. When you feel a gentle breeze from a gentle wind that blows know that its me planting a kiss upon your nose. When you see a child playing and your heart feels a tug, dont be sad Mommy that's just me giving your heart a hug. So Daddy don't look so sad and Momma please don't cry, I'm in the arms of Jesus and he sings me lullabies” Dayna Burney

“ "These are my footprints, so perfect and so small. These tiny footprints never touched the ground at all. Not one tiny footprint, for now I have wings. These tiny footprints were meant for other things. You will hear my tiny footprints in the patter of the rain. Gentle drops like angel's tears, of joy and not from pain. You will see my tiny footprints, in each butterflies' lazy dance. I'll let you know I'm with you if you just give me the chance. You will see my tiny footprints in the rustle of the leaves. I will whisper names into the wind, and call each one that grieves. Most of all, these tiny footprints are found on Mommy and Daddy's hearts. Cause even though I'm gone now We'll never truly part" ~ Kaylyn Alford
