Gregory Williams (Greg) DiMauro, 56, of Reddick, Florida, passed away at 5:35 AM on November 10th, 2024 at the E.W. & Lucille Cates House.

Greg was born in Kailua-Oahu, Hawaii as second child to his father Ronald DiMauro and mother Maureen Williams (DiMauro). He attended Eagle Point High School, graduating in 1986. He joined the army shortly after where he met his wife in Georgia. He worked as a contractor building houses for his family for 20+ years and was the main groundskeeper at Majestic Oaks Ocala.

He is survived by his father Ronald, his mother Maureen, step-mother Marisa, and his two brothers, Daniel and John; He leaves behind a legacy through his beloved daughter, Danielle, his first granddaughter, Aly, and his wife, Kwi.

Greg was a force to be reckoned with; adventurous, bold, tenacious, gregarious, and often the most boisterous person in any room he entered. A man of many talents, his skillset and perfectionist acumen was second to none; he ensured nothing less than perfection. Greg was known for his

generosity, his good heart, and was the one you could hear from a mile away. He was a beloved son, husband, brother, father, friend, and grandfather. There is nary a doubt he is rejoicing with his beloved friends and family in heaven with the Lord now. Be with the Lord and at peace. We all love you.
