My condolences to Lois, Stacy, and Tony. Greg loved his family and even more importantly he loves Jesus and did his best to instill the importance of a relationship with Jesus so you could believe in eternal life. This is not goodbye but see you later. He taught me that when I sang as he played guitar that the words are whats important. Prayers as you mourn the loss of such a loving, Godly Husband and Father

“ *We were saddened to hear of Greg's passing but know without a doubt he is with his Lord in Heaven, well and joyful. Of course, there is a huge void in all the lives of those who loved him, until we meet again.*

Dear Lois and family, may the God of all comfort be with you in the days ahead. We will continue to pray for you and please know you are in our hearts always.
