“ He hired me for my first industrial job and was a fine person to work for. I am blessed to have had the opportunity to interact and learn for me.

“ Dear Kathy, Craig, Kristen, Tom and I offer our deepest sympathy for the loss of your father, father-in-law and grandfather. Uncle Harry was a fine, fine man and a true gentleman. We so loved to visit him and share stories of the past. He also lent my Mom money so she could host a party for me after I graduated from nursing school and times were tough. He was there for all his siblings. He had to be the last man standing. We loved him so much and he will be dearly missed. I am so happy that he and Aunt Lorraine are together again.

“ Dear Kathy, Craig and Kristen Uncle Harry was always there for encouragement, support and oh yes financial help. I'm sure my Mom got much help during so many strikes my Dad had while I was growing up. He gave me train fare to Washington DC for my first job out of college. He also lent me money for Nancy's engagement ring. He hoped I had a winner like he had with A Lorraine. I do and he confirmed that when we visited him a few years ago. He was the only college graduate of all of our aunts and uncles and I wanted to be able to accomplish his desire that I might also graduate although Penn State was a rival of Pitt. He forgave me. He was such a gentle man and will be greatly missed. Nancy and Dennis Straiter and family

“ Kathy, Craig, and Kristen, Deepest sympathies in the loss of your dad and grandfather. Uncle Harry was a great man! I remember first meeting him at Butch and Nancy's wedding in 1981 and remember how sweet he was to me. I hope you find peace and comfort that he is reunited with your mom. God Bless. With Love, Kara & Felix
