“ *Very saddened to hear of the loss of a very cherished friend. We get to meet many many people as we pass through life but only a small number ever stand out as being a truly good human being that we are proud to call friend. Honesty and integrety were two traits that stand out in remembering this truly talented ethical man. A real privelege to have known you Harry. God bless and enjoy your truly earned reward. Deepest condolences to Diane, Patrick and Diana and sincere thanks for sharing Harry with us. I am having masses said but have no address to send a card hopefully that thought is relayed to family. Sincerely Jerry Connolly*
