“ *Sending heartfelt condolences for the loss of your beloved father and grandfather. Uncle Mickey was always funny, kind hearted and helpful to others. He was the best block, brick, and stone mason in the south hands down. I know he loved spending time with his family, fishing and golfing. Now I know he's peacefully fishing with the master of the sea, rejoicing and reuniting with family from Glory to Glory in eternity. ❤️*

*My heartfelt condolences to Bobby and Teresa, Kathy and Mark, the grandkids and the entire Shaub family. Uncle Mickey led a long, successful life and was a pure joy to be around all the time. He raised some wonderful children, was a child of God and did good for many people, I've known him since the early to mid 70s (about 50 years) I cried (or maybe laughed) over some of the butt 'whoopins' he blessed Bobby with. I do remember his awesome brick work. Young Cliff and I often refer to some of my better golf shots as "Uncle Mickey like" - not the longest, but STRAIGHT down the middle. I'm sure Uncle Mickey shot STRAIGHT to heaven and will be fishing and playin golf with the people that passed before him. God Bless him and his family. I love you all.*
