

## Heather Marie Guyett

June 14, 1983 - February 8, 2025

It is with our greatest sadness to announce the passing of Heather Marie Guyett on February 8, 2025 at the age of 41 in Tampa, Florida. A beautiful soul inside and out, she was an adored daughter, sister, aunt, cousin and Godmother. Born on June 14, 1983, she was a bright light from the beginning spreading happiness and laughter (and dancing) wherever she would go. Heather learned of her passion for helping others at University of Florida where she obtained her Bachelor's of Science in Nursing and continued her education at Florida International University by obtaining her Master's in Nurse Anesthesia and becoming a Certified Registered Nurse Anesthetist (CRNA). She graced patients, surgeons and more with her passion and love of her field starting in Miami, on to Ocala and Tampa.

To know Heather was a gift. She brought energy and enthusiasm mixed with passion and love to everything she did and everyone she met. She was loved immensely by all.

Heather is survived by her parents, John and Susan Guyett; her sister, Jessica Gill; her brother-in-law, Hudson Gill; and her beloved nephews, Travers and Tucker Gill- her Godson; by her Uncle Steve Sanders, Aunt Patricia Sanders and cousin Hunter Sanders.

In lieu of flowers, Heather's family asks that you consider making a donation to The American Association of Nurse Anesthesiology, The AANA Foundation, at [https://fundraise.givesmart.com/form/vt\\_mQQ?vid=1hqn9d](https://fundraise.givesmart.com/form/vt_mQQ?vid=1hqn9d)
