Miss Me - But Let Me Go

When I come to the end of the road
and the sun has set for me
I want no rites in a gloom-filled room
Why cry for a soul set free?

Miss me a little - but not too long
and not with your head bowed low.
Remember the love that we once shared
Miss me - but let me go.

For this is a journey that we all must take
And each must go alone.
It's all part of the Master's plan
A step on the road to home.

When you are lonely and sick of heart
Go to the friends we know
and bury your sorrows in doing good deeds
Miss me - but let me go.
