“ *It's been many years since we crossed paths in St Mary's Pa, but we remember Helen as being a friendly, kind, and welcoming woman. Her husband Nick and Tony worked together at Carbide Graphite so our contact was usually in a professional setting. Our deepest sympathy to Nick and their family.

“ *Although many years have passed having separated us as summertime neighbours ,I have vivid memories of the Williams girls next door to the Hilderleys at Goulais Bay. Helen was a shy ,but self assured young lady in childhood, and throughout her teen years. Sincerest condolences to Nick and the Kaiser family, and especially to Charlotte and Margie. I sense the Williams sisters names will forever be whispered by Lake Superior's breezes ,and their laughter will long linger, in the lapping of waves kissing the shores at Camp David and further along on the Mission Road, Goulais Bay.
