“ *Aunt Helen we will miss you dearly. You and Beth has been like family for so many years. You and Beth lived by us so many years. Babysit my kids that are now grown. They loved eating peanut butter pickle sandwiches. And how all my kids had to eat with you when you cooked spaghetti. We had alot of good times. Even when we moved yaw from Penn. in the middle of winter. Rest in peace Aunt Helen we will miss you.*

“ *Aunt Helen, one of the most incredible women I have ever known in my life. She and Beth were such a huge part of my life as well as all of my family. I will never forget going to PA to see you and Beth for Thanksgiving so many stories of Ocala from when you were a waitress at Jerry's for so many years. The world has lost a great woman and Heaven has gained a wonderful, gracious angel. We all love and will miss you dearly.*
