“ I have a lot of great memories with my Auntie. She taught me lots of words in Portuguese. Going to the beach and walking around on the rocks. I loved her very much. She will be missed.

“ I'll never forget the first time I met aunt Helena at our family reunion in Sedona, AZ. We had a campfire and she had never had roasted marshmallows before. I don't know how many she had that night. But it was a lot and we loved roasting them for her.
