“Heaven needed an angel and god sent for you You are gone from us forever, now what are we to do, we miss you now like never before But we have to let you go My heart breaks of sadness for the one that I adore Our father in heaven has sent for you and he needs you more Goodbye until we meet again, in my heart you'll always be For always you will remain my sweetest memory. I'm glad the last time I saw you, I hugged you so tight and I whispered that, "I loved you," words that came straight from my heart, you had been on my mind many weeks before your depart. You will never be out of my heart, and although I may not see your face, I will always remember your once in awhile smile. My infinite love is sent to you and know that one day we will meet at heavens gates and I will be with you again, forever. Love, Your niece Wanda J Miranda Garay
