

Hollis C. Thompson

April 16, 1941 - December 30, 2024

Born in Trinidad & Tobago West Indies, Hollis Thompson was a dedicated husband, father, grandfather and a friend to many in his community.

With the American dream at hand, Hollis made his way to the United States and landed in New York in 1968. Once established he sent for his wife Palmer. Through this union, they brought two daughters into this world.

He worked as an Auto Technician at Mercedes Benz of Manhattan for 32 years, where he gained knowledge and forged friendships that would last a lifetime. After his retirement at 62, Hollis was ready for the next step in life, moving to Florida. After countless research, he stumbled upon a spot in Florida which none of us ever heard of called Ocala. There, he built a new house and started a new journey - forging new friendships, acquiring a green thumb, and still staying true to his craft.

Hollis will be truly missed by his wife of 56 years, his two daughters, and his grandchildren.

Visitation will be held at Roberts of Ocala Funerals & Cremations on Friday, January 10th at 12 noon, followed by a funeral service at 1 pm at the Roberts of Ocala West Chapel at 6241 SW State Rd. 200, Ocala, Florida.

“ To Pam & Family:

We extend our deepest condolences in this time of unimaginable grief.

I have known Hollis 40 years. We met in Brooklyn, New York through his friend Mr. Drakes. He was a generous, amiable and pleasant person, blessed with the talent of being an auto mechanic. He taught me many things about repairing my 1968 Mercedes-Benz. Our communications became less frequent when I migrated to Florida after my retirement but we regained it when he also migrated there. He shared with me his love for gardening and often spoke about the vibrance of his crops. In the days after Christmas, we exchanged seasonal greetings and he shared how much he was enjoying his renewed eye vision. I will always remember his camaraderie. May He rest in peace. Our prayers remain with you always.

“ To: Pam, Michelle, Sabrina and the rest of the bereaved Thompson family, I write, on behalf of the Gonsalves family, to express our deepest condolences on the passing of Hollis.

I have known Hollis for all of my life: from Charlotte Street, St Joseph, Trinidad to Brooklyn, New York, to Ocala, Florida. I can say unequivocally that Hollis was a great man. He was a kind man. He was a generous man who gave freely of his time and treasure. He was a caring man. He was a teacher in the purest sense of the word, always there to share his expertise and wisdom. He was a loving brother, uncle and cousin. But most importantly he was a loving, committed and dedicated husband and father who gave his all for his family. He was one of the original “girls dad”. It can be said that this term was coined because of him.

He was a loyal friend to all; and enemy of no one. No matter what the situation or circumstance was, you knew that you could have counted on Hollis being there for you. He was a peacemaker and community builder who cared deeply about equity, justice, fairness and equality; and despised racism, sexism, bigotry and misogyny; and discrimination in all of its other forms. The world is a little bit worse off because of your passing.

In addition to my family, I know that I speak for all of us when I say we will miss Hollis. We are all better because of our various interactions with you. While we are all saddened by your passing, and we grieve your loss, we can take comfort in the belief that you are now in a better place; resting comfortably in the bosom of God. You have lived a great life. It is now time for you to rest my brother.

May eternal rest be granted onto you and let perpetual light shine upon you. May you rest in peace. May your soul and the soul of all the previously departed through the mercy of God rest in peace.

Thank you Hollis for sharing your life with us.
