“ My mother, Holly Margaret Wilder was an amazing mother. She did the best she could for me and my sister. Even though sometimes I didnt see it at times, she did all she could for us. We always had food on the table and warm bed to sleep in on those cold New England nights. We went to riverside Park and all those camping trips we went on. Not to mention the Springfield Falcons games we went to. She also did an amazing thing by taking care of my grandpa who passed away when I was 11. She was a hard worker and had a lot of compassion for her residents at the nursing homes she worked for. She loved Disney and Lady and the Tramp was her favorite Disney movie, also a huge lover of the Wizard Of Oz. She loved cats, and always wore cat shirts and every Christmas she would give me a card with a cat on it. She was also a huge fan of the Boston Red Sox, Celtics and the Florida panthers hockey team! I will miss my mother so much. She is with me all the time now though. I miss you so much mom. I cant even begin to explain this hole in my chest I feel. I love you mommy. Im sorry you had to suffer but youre not longer in pain anymore. I love you. RIP

“ My Dear Sister, Miss you but I know you are with the LORD JESUS CHRIST OUR SAVIOUR in Heaven now. Your body is free from illness and your heart is full of JOY! I enjoyed talking to you about JESUS and Heaven plus listening to Christian hymns together. Your faith has uplifted my life and you were GOD positive! Thank you Holly! I will see you again soon. Your love and inspiration lives forever! Your loving Brother, Michael
