“ *Dear Aunt Ida, You were more than an Aunt to Elsie and me because you were a true friend. We really admired how you lived life in the moment, so much so, that we chose to spend our honeymoon with you in New York. You said you would show us the town and you definitely kept your word. Aunt Ida you've also shown us how to live life to the fullest by the way you lived your life and we will miss you desperately. Love, Sonny and Elsie*
