“ *Our thoughts and prayers are with all of you during your time of mourning the loss of Auntie Isabelle. We remember the time that Auntie Isabelle visited our home in Gladstone with the rest of the Srutowski's and we had a wonderful time, sitting on the deck, laughing and enjoying our time together. Auntie always had a smile on her face and a twinkle in her eye. She truly enjoyed life and all that God had blessed her with. We will miss you, Auntie Isabelle.*

“ *Aunt, you will be forever in my heart and in my heart forever '29'(our little birthday joke!). I can still hear your light, bright laugh and will always cherish your sunny outlook and how you lived your life to the very fullest. You are truly a great model for all of your family to emulate. Pat's chest is still black and blue, just so you know (another inside joke). We will love you forever!!!*

“ *My aunt and uncle were wonderful entertainers. I will never forget spending the night at their home with our young children on the way to Disney World. Auntie Isabelle cooked us the most delicious pot roast and gravy that I had ever eaten! Our visit was most memorable and happy back then in 1983. We send our condolences to the entire family. Love, Sue and Don Young*

Thanks for being with her everywhere for the last 25 years.
