“ I'm very sorry to read that Mr. Hall has passed away. I was probably one of the biggest fans of his jerky, and I'm really upset to know that he's not around to make anymore. I moved up north a while ago, and I bought out the entire inventory of all three of the convenience stores around Gainesville that I knew sold his product. Those 8 pounds of jerky didn't last nearly long enough, and I've just now found out of Mr. Hall's passing after trying to find if it was possible to get more online. I hope his family has kept holding on to their good memories of this man, and again, my condolences to all who knew and cared for him.

“ Ivan was more than a friend he was like a grandpa. He taught me how to play the guitar.

“ Dear Hall family,I know you do not know me but I wanted to extend my condolences during this very difficult time. In Isaiah 25:8 it gives us much to look forward to in the future. It says "He will swallow up death forever and God will wipe away tears from all faces."
