“ *Mr. Dillon saved my life. I was a lonely neglected kid and he paid attention to me; spent time with me, included me in family outings. He saw me. He saved me. I wept when I saw he was gone. I love you, Mr. Dillon. I will always hold you in my memories and heart.*

“ *Sorry to hear of Mr. Dillons passing, he was a great teacher who really did care about his students. I loved the way he challenged you with his smart aleck remarks. He also helped with the marksmanship merit badge which helped me achieve Eagle Scout.*

“ *Ocala Forest high school class of 1980 sends or deepest sympathy to Mr Dillon's family. The top topics are that they loved his hair cut and said he always gave the girls a hard time. He was very well liked.*
