James Samuel Carter

May 11, 1956 - February 14, 2025

With heavy hearts we announced the passing of James Samuel Carter who left this world on February 14th 2025. Born on May 11th 1956, James was the beloved son of Thomas Carter and Gloria Cusano of Runnemede Township in New Jersey.

A hard working and skilled contractor, James dedicated his career to building not just structures but a legacy of craftsmanship and integrity. After retiring, he found joy in the simple pleasures of life, painstakingly assembling scale models, strumming his guitar, and getting lost in the magic of movies. His love for creativity and precision was evident in everything he did.

Above all, James was a devoted husband, father, and grandfather. He is survived by his loving wife, Colleen Carter, who stood by his side through life's journey. He also leaves behind his children, Keith Carter, Jason Carter, Stefanie Carter, and Rachel Carter, who will carry forward his wisdom, kindness and humor. He was a proud grandfather to five adoring grandchildren, who brought him immense joy and laughter.

James will be remembered for his unwavering dedication to his family, his hard working spirit, and the warmth he brought to those around him. Though

he is no longer with us, his love and legacy will live on in the hearts of all who knew him.

A private service will be held for close family and friends to honor his memory. In lieu of flowers, the family asks that you cherish your loved ones and celebrate life's simple joys, just as James did.
