“ I am so sorry. JJ bought our property/business for his Ocala Contractor Supply business. In getting to know JJ, we both were facing a cancer diagnosis and shared many conversations of treatment and hope. JJ suffers no more and now rests in peace with the Lord. My condolences to his family. Darla Smith

“ Dear family Connor. Greetings with Deep sympathy from Rheinsberg in Germany. We are Not shure if its right, but we bought a used CD an inside was a quitting from american express. The Name of the subscriber was James J. Connor and the town was Altamonte Springs FL. FROM 04. August 1994. We searched for the Name and the town and found this Memorial Display. We red the Text and found out that Skibeck Pipeline Inc. Is in Ocala FL. its about 25 Miles from altamonte springs. It can be a coincidence but if not than you should know, that we are just now listening this CD.Its Broken toy Shop from Eels. If We are Not Right, than its not Bad thinking of James with good and lovingly thoughts. Family Schreiber from Rheinsberg in Germany
