BE

“ *I remember one day we were eating at Ponderosa in New Hartford and Uncle Russell was there eating alone. We spent a very enjoyable afternoon eating and chatting with him that day. I will always remember his smile and the smile he brought to others faces. He will be greatly missed. I wish I could have spent many more hours with him. I look forward to the day when I will see him again in eternity. God bless you Uncle Russell you will be greatly missed!*
