Special things about my brother Jim ...

First and foremost he loved God and Jesus and read the bible 3 times

He ministered preached the bible

He knew the bible inside and out, every scripture every verse and I was in awe when I challenged him he always knew

He sent me verses from the bible faithfully

His friends called him "Deacon Blue"

His number was 33

He loved to cook

He loved crystals and made beautiful jewelry with them.

He loved making jewelry

He loved animals and had many of them

He loved plants and his greenhouse and grew many flowers and plants (including his own weed) Lol

He loved birds and had a Raven that visited him every day and he would feed him

He loved to sing karaoke and called me to sing to me a before he passed

He enjoyed painting

He liked quiet places and being home

He had a very high IQ

He was a journalist and he wrote a book - I am seeing it through to publish it for him and any proceeds will go to charity

He was very spiritual and helped me and taught me a lot

He was creative

He was kind

He was simple

I kept a journal "Wise Words from My Brother Jim"

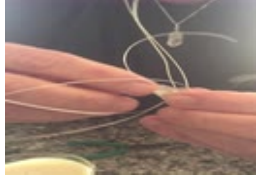

He was my brother and I loved him just the way he was
