“Jim” You will always be in my memory and am sure in many others. Seeing you in your court yard , sitting in your chair with the big smile on your face and the friendly "Hi" and a wave of your hand whenever I and others might be walking by or riding in a golf cart, Your friendly greeting would always remove from my mind what ever I may have been thinking and make my day better. You will always be in my prayers. Betty and Family our sincere condolences.

“ My heart hurts for my dear friend Betty and her family with Jim's passing. Jim was a kind and pleasant man and as I think of him I can see the sparkle in his eyes, his smiles and hear his laughter. Jim loved my Coco and Lucy and always lit up when the pups were around! There will be a huge void in the hearts of those who knew Jim, as he brought much joy to many! He is no longer in discomfort and Pray Jim has found comfort in the peace of our dear Lord. Our sincerest condolences to Betty, and family with love, Kim, Dimitri, Betty and Lucy.
