“ Thanks to everyone for the condolences. Everyone loved Corey and he will be missed more than words can say. He will always be with us in spirit. This past summer was great. We did alot of boating and took the jet skis out on every body of water that was close to us. Corey was with his grandpa when he passed away in July and I am so grateful that God let me have him for 24 years - Loved every minute of it!!

“ Karen, Miles and I are heart broken to hear of Corey's early departure to be with his heavenly Father. Corey and Miles were such great friends in middle school and I have many fond memories of Corey appearing on our door step with his dirt bike and a big smile with a twinkle in his eye which told me his Mama didn't know where he was but you knew if he was at our house he was fine. I can't even imagine what you are feeling and how you are handling this situation. You and your family are forever in our hearts. Cheryl Mattheus Miles Mattheus
