“ Jim and I worked together at the West Palm Beach VA Healthcare System. He was such a fun person. After retirement, Jim and I would connect regularly on Facebook. During our conversations, he always asked about everyone at the VA, especially Dr. Harrison. He would tell me about his travels and his daughter, and all the good times he was experiencing in retirement. I am shocked and sad to hear of Jim's untimely passing. He brought humanity and laughter to our world Jim served our country honorably, and was loved by me and many others. Rest in peace dear Jim.

“ Jim! I cannot believe you are gone! This was an extraordinary man, fun to be with and fun loving, an utterly unembarrassed and unreconstructed hippie of the highest order. How I hoped when the cruel pandemic was over that there would be one more get together, one more acknowledgement of long lives not necessarily so well lived but well used. To your daughter and your sister, my condolences. May there be a reunion somewhere down the road a piece.
