“ So sorry for your loss. I have many great memories of your dad Renee and grandfather Ilan, always greeted me with a smile and a big bear hug! As youths we had great times and laughter. Did you know he and my brother Chuck enlisted together on same day in USN and served all 4 years together. Uncle Charlie and I were with him the night he became engaged to your mom Renee. Although, distance separated him and Charlie there was always love and understanding. I will miss his warm smile and grin. I am so glad for the time you and Ilan got to spend with him. To his dear friend Willy I am sorry for your loss and glad of the happiness you brought to Jim's life in his last years, he was indeed blessed to have you. With love and deepest sympathy, Aunt Debbie Papaneri and family ♡
