“ Jim was a very fine man. I have known him since he transferred into this Flotilla. I have been privileged to have to have known Jim as a fellow Auxiliarist and considered him a friend. His sense of humor was so wonderful!! He and my late husband loved to swap stories and tell each other jokes. Jim will be truly missed. Rosemary, I too lost a wonderful husband and I understand the grief you are experiencing - it never goes completely away, just gets a little easier to bear. I know that Jim will watch over you (just as David watches over me)until you are united again in heaven. If you need someone to talk to or a shoulder to cry on, do not hesitate to contact me - my phone number is in the Flotilla 15-3 Membership book.

“ Jim will be missed by many people as he devoted so many years to the ministry of others through the USCGAUX and FEMA. He set a shining example of how to serve others and serve your country. I was personally impressed with Jim's devotion to duty and willingness to learn and stay "modern". Jim, if you now know the secret to e-mail and the internet, please let me know! I regret that I was not able to be at Jim's service, but carrying on in his tradition, I was on duty, training with the USCG. Jim, we will all miss you. Thank you for your friendship. BZ for a life well lived!

“ Jim and I completed yearly vessel safety checks in Dunnellon, Fl. for over 7 years. Our last CGAUX mission together was in Dunnellon, Fl. on 31 March. I will miss my dear friend for his friendly smile and cheerful disposition. Jim always encouraged me as a 24 hr. caregiver for my husband and made sure he said hello to my husband before we started out on our CGAUX mission.

“ I am sorry I could not make the service. I used to enjoy talking to Jim at meetings about his work with FEMA. He was really proud of his FEMA responses and I enjoyed his stories. A very nice man. Sorry for your loss.
