

James Tully

July 12, 1930 - September 26, 2017

Tully, James Joseph, 'Jim', 87, of Ocala and formerly, North Palm Beach, Florida passed away peacefully on September 26, 2017 at Legacy House. He was preceded in death by his brother, Dr. John B. Tully, of Dana Point, California and is survived by his beloved wife of 61 years, Janet; daughters Daryl McMullen (Scott) and Janene Kearns; grandchildren Kasey, Kyle, Kendall, Nicholas and Emma, all of Jupiter, Florida. Jim grew up in the Bronx, New York, and upon graduation from high school joined the Armed Forces. He was a proud Marine and bravely served his country in the Korean War. Upon completion of his service, he took his artistic abilities to a cartoonist and illustrators school in New York City where he enhanced his creative talents. Jim and Janet married in 1955 and spent several years in California and Maryland before eventually settling in North Palm Beach, Florida where they raised their family. Jim was employed at GE/AUTEC in West Palm Beach and Andros, Bahamas for 27 years and after retirement moved to Ocala, Florida where he continued his love of golf, gardening, and woodworking. He loved music and dancing, the New York and San Francisco Giants, cruising, milkshakes and Hershey kisses, and could always be found tinkering in his garage - there wasn't anything he couldn't build or fix. He had a multitude of talents but being a loving and devoted husband, an incredible father/father-in-law, and an adoring 'Pop Pop' were his greatest gifts of all. He will be deeply missed. A service will be held Friday, January 5th at 2:00 p.m. at the South Florida National Cemetery in Lake Worth, Florida. A celebration of his life will

take place after his service. In lieu of flowers, donations can be made to Disabled American Veterans (DAV) or Hospice.
