

## Jamie Fortuno

December 31, 1969 - August 10, 2010

Obituary of Jamie Fortuno Jaime Fortuno was an extraordinary man with impeccable integrity. A man overflowing with unconditional love for his wife Eva Fremaint Fortuno, my brother and I. A man that showed us to live life to the fullest with compassion and honesty. A devout catholic, a true example of all that is exemplary in this world. We hold our heads high, proud yet humbled that God chose us to be with such a rare example of goodness. We move on happy in the knowledge that we will be with Jaime again when our time comes.
