

## Jane Joyce Gibbon

March 9, 1966 - November 13, 2021

Jane Joyce Gibbon was born in Molepolole, Botswana on the 09th March 1966 (Same year as Botswana's Independence from Bechuanaland - she was very proud of that) Jane, 55, passed away on November 13th, 2021 at home in Ocala, Florida.

Jane started her school career in Gaborone Botswana and further went to boarding school in Mafikeng South Africa. She pursued a marketing career very early in her life. Jane could sell ice in winter and at the same time take alcohol away from an alcoholic with her selling skills.

Jane was a very spontaneous and larger than life person, she would fit in in any environment and make the best of it. Jane would meet a complete stranger and have a friend for life with her personality and love for people

Jane was an incredible human being, She touched so many lives in so many ways. No matter if it was a security guard or a cashier at a store, she would bestow the same greeting as she would the manager. She was so loved and will be missed terribly, not only by her family and close friends but acquaintances she met along the way

Jane is survived by her loving husband, William Frederick Gibbon, their 2 children, Charmaine Burckhardt and Conrad Gibbon, 1 granddaughter, Braelyn Burckhardt and 1 grandson, Logan Gibbon, a Daughter in-law Shannon Gibbon and 4 sisters and 2 brothers. Jane comes from a family of 9 (4 brothers, 2 have since passed away and 5 sisters) her being the middle child that held the glue to all siblings. Jane made a huge impact and her death will be mourned by many.

“ Jane and I were in early years primary school together and were  
friends - our parents were friends we lived in the same  
neighbourhood and would play together in the afternoons when our  
parents visited. Although we lost touch, she stopped by one day to  
say 'hi' after not seeing each other in some 45 years - she looked  
the same as she did at 10 she looked the same and we chatted it  
was so nice to see each other after all these years - just before all  
the COVID started - little did I know that would be the last time I got  
to chat with an old early years childhood friend. RIP and may your  
family find peace in this difficult time knowing you are no longer  
suffering. Kathy O'Connell
