“ *Janet is missed by me each and every day. She assisted me with my grief after I lost my husband in April of 2012. Then, she lost her husband, Jack. We talked about moving south where we would get together and travel, go out to eat, etc. Even the last meal she prepared was for me and my mother. I still cannot believe she has gone to be with God and like her family, I miss her bright and cheery voice. Janet loved her family so much; she was so proud of all of her children and grand children. She loved showing pictures she received and was texting always to them. Her family was her life! Janet was a special women and truly a dear dear friend.*
