“ *Janice (Jan Jan) came into our lives almost 15 years ago when she started babysitting our Mary. A year and a half later Becca came along and and the three of them shared many special times. After Jan Jan moved away she would still come down a couple times a year so Jim and I could have some alone time and she could spend some time with "her girls". Our hearts are breaking. Our thoughts and prayers are with her family. We will miss you Jan Jan. Love, Mary, Jim, Mary & Becca Patterson*

“ *Andy and I go way back to the 2nd grade. That is how our families met. Over the years Janice was like a second mother to me. I remember when they lived down the road from our house and Andy, Roger and Myself would walk the back streets just to get out of the house. I also remember going to visit them when they moved Riverview. My prayers are with you all. I am sorry that the years passed so fast and that good friends were lost along the way.*
