“ *Mom, I don't know why you were taken from us so soon. So many people needed your help whether it was your family or the less fortunate. Your volunteer work will be remembered for years to come. You had such a beautiful Heart! I'm taking care of Dad but expect you to walk around the corner at any minute. Everbody you knew is shocked beyond belief. All of your children spoke about your love you gave freely to us through the years. You were a strict Mom but we know why. Like your parents, you demanded we respect our elders, mind our P's and Q's and to treat others as we would like to be treated. I will miss you until the day I die. I can't bargain with death so I have to wait until I see you again when my ashes are returned to the Earth. Until that time, I will miss you dearly. The fond memories I have of you will never fade. Please watch over us from above, especially your Grandchildren. I'll see you later, Mom. I Love You! Your Son, TIM*
