“ *Cathy, Tim and Laura: I am sorry to hear of your Mother's passing. My prayers are with you all. I think of your parents quite often and our visits to their home on those Friday/Saturday nights years ago. Cherish the memories you have for they are precious and no one can take them from you. She was such a sweet lady!!! Bonnie (Brooks) Palmieri*

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. May God, bless you all. Love Debbie*

“ I have great memories of getting to know Jean while we worked together at The Treasure Chest years ago. She was as genuine a person as I've ever met, always kind, funny and positive. She became a cherished friend. And, one thing that always remained evident throughout the time I knew her was her love for her family. She will be missed by so many. My prayers go out to Doyle, Cathy, Laura, Tim and your families. May God bring you comfort and joy in your wonderful memories of her and in knowing that she is with her Heavenly Father and no longer suffering in any way. Blessings to you all. ~ Susan
