“ *Sending thoughts and energy to each of you during this time of transition. I'm recalling visits with y'all when you lived in Beltsville, MD and getting to experience some shared memories. Know you are in our thoughts and many well wishes are in the atmosphere for you. Will be thinking about you during the services and holding Aunt Jeane in my thoughts. Take good care*

“ *Thinking of y'all, and the visits we had when we were young. There are no words, that can express one's feeling, or ease the pain of grief. Your parents are together again in a better place, and they will live forever in our memories. I know it will take time to heal, please let us know if we can help, in any way. Our prayers are with y'all, and your families!*
