“ I am saddened to read of Jeff's passing. My husband, Phil and I spent so much time with him when the guys were stationed in Germany. It truly does seem like yesterday. We were all just kids. Jeff lived just a few yards from our apartment. There was always a party when everyone was off duty. Most of my memories from there include Jeff. He was so kind and funny. I have missed his presence over the years. The last time I saw him he was telling us about his baby daughter, Hannah. Such a long time ago. My husband, Phil died in Feb 2020. We loved each other for many years and talked of Jeff and our time in Germany many times. All if us were always laughing. Please accept my condolences for your loss. Mine and Phil's too. Maybe he and Jeff have met once again.
