“ Jeff Attie,
The one & only ! I was quite young when I heard about you but soon after learned everybody knew Jeff Attie. So many friends, a man who earned the respect of everyone he met. I can recall when I was really young the boardwalk on Jones beach was lined with Delta boys and there was Jeff right smack in the middle of them all. Over the years our paths would cross and all these years later we finally reconnected on the phone. I will celebrate your life a remember you exactly the way I saw you last. Wish we got to visit that weekend we had planned. No more worries ahead for you! You just rest in peace my friend.

And today it was finally all about "YOU" ! I wish I could have been there because I trust it was one hell of a send off with so many stories told. I know you were right there taking it all in and smiling the whole way through as you reviewed some of your life's timeline. Keep smiling my friend ! We know your'e in a great place surrounded by loved ones but we are sure gonna miss the hell out of you ! Until we meet again - until we meet again ! Terry

“ My sweet friend Jeff you are greatly missed . I will always remember you for your kind , generous heart and loving words . I have always treasured the moments and memories of days together back in 1976 💕 Our conversations in the last year were long and deep . You really stood up for your beliefs and were a real American Patriot my friend ! 🇺🇸 I am so grateful I was able to spend time with you at your home this past year and that I was fortunate enough to see all your beautiful master leather work ! My heart is broken Jeff that you are no longer here . You left us way too soon my friend . It took me years to find you and I know I will find you again in a place more peaceful . May you be riding with the angels dear Jeff and resting in Jesus's arms . Rest easy my friend . Yes Jeff you can rest now . Love you Jeff ! You hold a place in my heart forever !! Your friend Lisa Girl 💕🙏

Didn't reconnect until 2yrs ago. Some of the
best times of my life where spent with you

“ In Loving Memory of Jeffrey James Attie:
March 10, 1954 - August 23, 2021

Dear Jeff,
I will miss our long talks. I'm so glad you moved to Florida and got to go riding again with Louie. I'm thankful we spoke a few times while you were in the hospital and I wish we had more time to have spent together. You are a good soul my prom date and forever friend. God surely gained another Angel when he called you home. You are loved and will be missed by many. I will always have a special place in my heart for you. 💕💕✝️
