A wonderful and beautiful video! What a wonderful family and good days that they had together. I am sure that your hearts will never forget these precious moments with "such a special person". I was so sorry to hear about the loss.

God had a very special place for him and he will always be looking down upon his family that he had to leave so early.

“ *There are no words to express my sorrow, I have known Jeff for over 15 years and I can truly say that my heart is broken. My thoughts and prayers go out to his family and we were all blessed to have known such a great man. He made my day when I had a hair appointment with him and got special time to visit with him. He would say, well how is all this working for you and we would laugh and discuss ideas. He was always in a good mood and made me feel special. He loved...loved his family and his beautiful wife Dr. Janine Hartwell. I will see you again one day my friend. Heaven has gained a super Angel.*

“ *What a beautiful video of a great man. I grew up in Ocala and knew Jeff for many years. He was the only person who could cut and style my hair right. He was always smiling, always happy and always had a funny story to share. I can't believe he's gone. My condolences to his family, especially his mother because a parent should never have to bury their child, and his wife and children. I know he will always carry all of you in his heart for all eternity. Love never dies! Rest in peace 🕊️ Jeff. You will always be remembered fondly!*

“ Our sincere condolences to the Hartwell family. The video is of beautiful memories to cherish. My son and I were lucky to find Jeff 5 years ago when we became his clients. Every month when I came in and sat in his chair all the stress of work day went away because Jeff was always happy and laughing and wondering how I was doing today, I would say better now. He gave many words of wisdom to my son who recently graduated college. Jeff assured him he would make his way and everything would be alright and to just give it time. We will miss Jeff's smiling face and sense of humor.

“ I met Jeff in 1986 and he was the first one to do my hair when I moved here! Fast forward a few years and I met up with him again when I taught beautiful Jade in Kindergarten at Grace School. Little Jade did my hair one day; she wore a cape like her Dad and put the clips on the sleeve of the cape, just like her Dad! Priceless! Jeff always kept me up with Jade at Salon Hartwell. He loved her so much and was so proud of her and Blake. His smile and energy will be missed.

“ My husband Michael and I only knew Jeff a few short years, but we became fast friends. We both only just recently met Janine and were so happy to hear they were getting married. The wedding photo with the kids showed the love of the family. You changed our lives forever Jeff and we are heartbroken to have lost you. Rest in peace.

“ My heartfelt condolences go out to Jeff’s family. I have known Jeff for many years. We went to high school together and in later years worked together. I felt like he was my little brother. I was so proud for him when he opened his last salon. He was an amazing person. He was definitely larger than life. He was so proud of his kids. He would just glow with pride when he spoke of them. I still can’t believe he’s gone. On another note he can hopefully get to talk to Coach Bowden about his beloved Florida State Seminoles. Fly high my friend.

“ Jeff in rubber mud boots, covered in wet mud, dried mud and whatever would cling to that mud, sporting a pair of blue jean cutoff shorts and an oversized T-shirt, true to the Hartwell name. Jeff's laugh, if you have ever, even once heard a Hartwell laugh, I promise you will never forget it. It's big, it's loud and it's like someone dropped a sunshine bomb in the room. It's a laugh that starts from your toes and builds pressure until it bursts through your lips and smacks everyone with a big flashbang of Sunshine. Jeff's smile was a language all its own. When he smiled, there was never any doubt what he was saying, without using a word. He said " Wow it's so good to see you, you look great, can I help you do anything, how is your family and let me tell you about my kids. I've been incredibly blessed, immensely blessed, to have known Jeff and his family for more than 45 years and Jeff is as big in my heart today as he was the years we all grew up together and my heart feels like it is in a vice knowing that he left way too soon. When I heard the news, I knew that heaven had its first sunshine/laugh bomb dropped on them, which is still resonating beyond the clouds. Every thunder clap I hear now, I will know it's that Hartwell laugh bursting out from heaven and raining down us. I love you Jeff, you are always in my heart .. see ya.. Carrie

“ Jeff, You will forever be missed. We were in complete & utter shock to hear of your passing. You always made me feel so much better about myself after you worked your magic on my hair. You now are the hair stylist to the King of all Kings. Dear Hartwell family, Our deepest sympathies and prayers are with you. May you take solace in knowing that Jeff is with our Lord and Savior Jesus Christ. 2nd Corinthians 5:8 - We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord. “ *Hartwell Family - Wishing you peace to bring comfort, the courage to face the days ahead and loving memories to forever hold in your hearts.*

Jeff was the best hairdresser ever! He started washing my hair when he was an apprentice under Cosmo and then started cutting my hair. I moved to Seattle for 4 yrs and would come back to Ocala to visit and get my hair cut from Jeff. Nobody but Jeff has cut my hair for the last 35 years. He always spoke of Jade and Blake. He was a very proud dad. When he wasn't talking kids he was talking and laughing about the new project he was working on. Jeff, you will truly be missed and never forgotten.

“ Jeff Hartwell- I will miss him so much. He was a loving father, the most positive person ever - the biggest laugh - loved to hear it- he lit up a room by just walking in. He made things happen. He was always thinking of ways to make things better. He had a zest for life. Loved working for him in early 2000 for several years. Jade and Blake were his world. He was so happy, having just gotten married to Janine. I will miss him forever and am devastated beyond words. Rest In Peace dear jeff. The world has lost a beautiful soul.

For more than 30 years Jeff was my go to guy for haircuts. I remember our conversations about being Marines most of all, but what stands out was Jeff's love for his family... he was so proud of his children Jade and Blake and my heart breaks for them and the rest of their family for their loss. Jeff was one of a kind. I will miss his laugh, his friendliness, humor and just the good feeling that our casual conversations always brought. Jeff, you were taken from us way too soon... I'm going to miss you man. R.I.P.
