

Jessica Megan Conroy

April 28, 1986 - September 3, 2020

Jessica Megan Conroy

A beloved daughter, granddaughter, sister, aunt, niece, cousin and friend, Jessica Megan Conroy left this world unexpectedly, at 34 on Sept 3, 2020. Jessica was born in Columbus, Mississippi, to Kyle Conroy and Ann Marie (Williams) Brody and grew up all over the world with her parents and her sisters, Elaina and Victoria.

Jessica was a loving and compassionate person whose smile could light up a room and described by many as a fire cracker. She brought beauty and art into the world with the stroke of a paint brush, the sketch of pencil, or through the writing of great stories.

Jessica loved reading, family game nights, sitting and chatting with friends and spending as much time as she could with those she held most dear. She was both inspired by and an inspiration within her community through sharing her story. She touched the hearts and lives of more than just her family, from strangers, to distant cousins, to Gurkhas from Nepal.

Jessica's family and closest friends find peace in knowing her last few years on this earth she truly lived her best life. She exuded pride in the life-long progress made and loved herself the way her family loved her, the way her friends loved her, the way she deserved to be loved. When you think of Jessica, celebrate the good memories you have of her. Remember that life is fragile and short and should be lived to the fullest.

Her family is comforted in knowing she will be greeted by her Granny, Anne E.

Williams, Grandma Joanne Deville, and her step-father Jeff Brody. She will be the first of her siblings to meet her Grandpa Joseph Conroy. She will also be met by the wagging tails of Kiwi, Habebe, and Sam... along with all of the other dogs in heaven.

She is survived by her mother Ann 'Marie' Brody of Dunnellon, Florida; father Kyle Conroy and step-mother Jana Conroy of Fort Collins, Colorado; sisters Elaina Conroy, Victoria and husband Allen Conroy-Helenihi, step-sisters Jordan Marquez and significant other Jeff Neterval; and Whitney Marquez and fiancé Chris Jackson; and nephews Kellan, Kaden, Micah, James, Jaedan, and Lukas.

A service will be held on September 10, 2020. Arrangements are being handled by her family and Roberts of Ocala Funerals & Cremations, Ocala, Florida. Her family is requesting contributions in honor of her memory be made to the American Diabetes Association.

“ So sorry to hear this. I played drums in a band with her Ex. She was always the life of the party. She picked up playing the drums pretty fast and became pretty darn good! She will be missed. May Jess rest in peace 🙏💜🥁

“ Family of Jess, so sorry for your loss. Jess was like a little sister to me. I always tried to look out for her back in the day, she was such a wild one. May she rip. Love you my friend.

“ *The loss of your daughter, Jessica, is a loss beyond words...
May you find comfort
in the strength of your love,
the solace of your memories
and the knowledge that many care
and mourn with you today.*

*We remember Jessica's beautiful
smile and the kindness showed
us in cards, notes and telephone
calls.*

We loved her very much!
