“ I'd like to wish Jessa's family my deepest condolences and prayers. Although I didn't know jessa personally I can only imagine the hurt and pain this family is going through at this time. I was contacted by Jessa's friends and asked to make in memory decals for them, well I said "Absolutely". I can say that it brings me and my business (Graphically Stated Custom Vinyl Designs) great pride and joy to be able to give something back to the family and friends of a lost loved one. A memory to cherish for as long as possible. May God guide this family right now and May Jessa Rest Forever In Peace!! God bless you all!!

“ I am so sorry for your loss. I, unfortunately, know exactly how you feel and it is an emptiness that will never go away. When I loss Sonny three years ago it was all I could do to get through the day. We missed seeing Jessica on his anniversary in heaven and wished she wasn't there with him. :(I pray that you find the strength to get through this as best you can. She truly loved her children and I can only imagine the heartbreak for them. She will be missed by many as she was loved. God Bless, Kathy Altman Proud mom of Sonny
