“ I am so very sorry for your loss. I remember the day I met Joan and her husband Jim. We were waiting on friends at a moose lodge to meet because we were going to go on a poker run. When Joan heard who we were waiting on she said in that beautiful Southern voice " We are waiting on them too" We laughed and talked and it was an instant friendship. It was a beautiful day that turned into the evening and we had the best of time. There were many motorcycle rides with them after and I truly enjoyed being with her. I remember going to the beach with her and my sister and it was a beautiful day. Joan pulled out a jar of coconut oil and laid it in the sun to let it melt... We jumped in the waves and had a great time. She went up to the blanket we had spread out on the beach, opened up that jar of coconut oil and poured it all over her hair laughing as hard as we could. Joan sat there all day rubbing that coconut oil in her hair. She said it was the best conditioner ever!!! I'll never forget those moments I got to share with her. She was a true great blessing on this earth and such a sweet and kind friend. The world has lost o great Mimi,Mama, Wife and friend to so many. R.I.P my sweet friend Joan, You truly will be missed.
Love your friend,

That greeting from you is on a continual loop in my head now. Thank you for the many conversations about life, Jesus and Heaven. And thank you for all the laughs... I miss you, my friend, and you are forever imprinted on my heart. T
