

Joanne Faith Bonn

June 23, 1930 - May 19, 2021

Being a mother was a lifelong calling for JoAnne. Her 8 children, were blessed to call her Mom. She is survived by her children Stephen Horton and Vicky, Curtis Horton and EJ, Keith Horton and Pam, Joanne Blangger, Kimberly Heichelbecht, and Michael Bonn and CeCe. Two sons, Arthur Horton, also known as Mickey, and Nicholas Bonn, preceded her in death. She is also survived by her sister, Marge Giberson, and many grandchildren and great-grandchildren.

Joanne's home was a gathering place for many over the years, with a welcoming table, a warm heart and a wide smile. Anyone who spent even a little time with Joanne, soon learned that she was an extraordinary cook. Whether it was her kraut and pork, haluski, perogies, bread pudding or a host of other delectables, she loved cooking and cooked with love. They say that food is the way to the heart, and for her, the sharing of good food was one way to share her love. Sharing stories and laughter over good food made her happy.

Joanne loved sewing, fishing, gardening, and reading. She was a worker, and with 8 kids to raise it could have seemed like her hands were full. Instead, her children remember how she opened the door to their friends and was considered a second Mom to many, always seeing them as "good kids" no matter their circumstances.

She will be remembered for her absolute joy in the simple things in life. The sighting of a turtle crossing the road, the sand cranes outside the patio door, or even the alligator in the lake were all-cause enough for her to stop what she was doing and enjoy God's creation. She raised her family to treasure animals too with family pets of rabbits, pigs and goats, chickens and dogs. The stories of dogs that jumped out windows, chickens that knocked on doors and even her attempt to lasso a pig have been shared throughout the generations. She particularly loved her little dog, Mouse who was a special companion to her.

JoAnne loved nature and being outside. She gifted her family and friends with memories of days on the beach, clambakes and crabbing, camping, and many days spent fishing. To honor her wishes, the family will lay her to rest in nature.
