JoAnne Maddox was called by the Sacred Heart of Jesus to enter the Kingdom of Heaven on October 7th, 2019. She leaves this world a better place where she lived in Pine Run Estates for 37 years. She was one of the few original owners still living in the community. She was very active in the Pine Run Garden club for many years, winning awards and writing articles for the Pine Run Reporter Newsletter. She especially liked all the community activities that she attended. She and Ben had a wonderful life for 47 years. She is preceded in death by her Father, Mother and Brother. She leaves five living sisters and her two precious cats. She will be truly missed by all that knew her.
