“ *I will always remember Joe Bradley as a man who brought joy to so many children! I still have a picture of Joe as Santa with my oldest son, who did not even look to the camera because he could not believe this was the "real" Santa with a "real" beard! All this before I joined Marriott and officially met Joe. He was a great man who will always be remembered fondly. My deepest condolences to the loved ones he has left behind.*

“ Joe developed an application for my department years ago and from that we developed a lasting friendship. I appreciated his knowledge and humor. He played Santa Claus for my grandchildren in our home and generously offered his Santa Claus services to others. He left us with fond memories.

“ My sincere sympathy to the family of Mr. Joe Bradley. I had the pleasure of working with Mr. Bradley at Marriott Vacation Club for many, many years. I resigned from MVCI in 2002 after loosing my husband in a tragic accident. Mr. Bradley was among the many wonderful people that made me miss my MVCI "family". Yes....we all enjoyed him as "Santa". He always had a warm and friendly spirit and a special compassion for others. He will be greatly missed. My heart goes out to each person that was touched by his life and now by his loss. Death leaves a forver pain. I will be praying for peace to fill that void in the heart and life of each of you. Sincerely, Tracy Moore

“ I worked with Joe at MVCI. Your family is in my prayers. Joe was a very wonderful and caring person. We also enjoyed when he played Santa. He personally touched me when I had to have emergency surgery and had no vacation time. He only knew me for about a year, but he was one of the first to donate vacation time to me. He will forever be missed.
