“ I first met John during operatopn desert storm, We were playing volleyball and he kept talking trash at me. I didn't know what to think of him at first, but after I got to know him we became very close friends. I'll never forget sitting around and talking to John, we had so much in common and he had a great sense of humor. When I first got on facebook, he was one of the first people I looked up. I am glad that I got to reconnect with him, if only for a short while. I will miss ya buddy, you were a true friend. I will never forget running around Biloxi with ya and carrying you around from club to club. There was never a dull moment with John. I hope others sit and reflect of the moments they got to spend with John, I know I will have many stories to tell of him for many years to come. God bless you my friend, You made the best of life and you should be proud of that.

“ I worked with John at the Gainesville, VA, he was a kind and loving person. He was a great listener and always found the good in others. I still cannot believe he is gone. Although I know he is looking down at us all from Heaven, he will dearly be missed. He was a great friend and a loving father. He loved his family very much, John I love you and will miss you very much!
