

John "Marty" Frazier

February 18, 1959 - July 8, 2024

John "Marty" Frazier, 65, gained his heavenly reward on July 8th after struggling with poor health for many years. He was born in Wheeling, WV and most recently resided in Ocala FL. His parents were John P and Beverly (Kronenweth) Frazier.

Marty graduated from St Clairsville High School (OH) in 1977 and was one of the class Valedictorians.

He graduated from The Ohio State University in 1980 as a Magna cum laude with a degree in Business Administration.

He spent his career in finance and loved working at Peoples FCU until health issues forced an early retirement.

Marty leaves behind his wife and high school sweetheart of 44 years Kelli, a daughter Melissa, 2 grandchildren (Christian & Charlotte) and a great-grandson Jonah. He also leaves behind 3 sisters (Mary, Lynn & Lisa), and several nieces and nephews.

Even in poor health, Marty's favorite things to do were spend time with family & friends, watch his beloved Ohio State Buckeyes, eat an occasional White Castle slider, entertain everyone during family game nights and watch Fox

News (much to the chagrin of his 3 sisters). His poor health resulted in his missing recent church services and he truly loved the people at Living Water Wesleyan.

He will be missed more than he ever realized and touched more lives than most. There was only one Marty Frazier and his family and friends have truly lost a gem.

At his request there will be no memorial service.

“ Marty was loved by many. My love for both he and Kelli is so deep in my heart. To me they are my family. It saddens me have lost my friend. I know is with God and that is a wonderful place.

I guess the first thing I noticed about Marty, and what I will always remember, is that twinkle in his eyes. It seems he was always up for fun and that was reflected in his eyes.
