“ Uncle John (Buster) Had all the great stories of all of his sisters and brothers growing up in West Virginia. It was a real joy to listen to him about our family . I will truly miss him at any family gatherings in the future and watching mom Aunt Margret and Aunt Bessie rolling their eyes about the stories my uncles would come up with. I know him and his brothers and sisters and aunt Bessie are all together again all swaping stories .

“ Grandpa, you will be missed by us all. Your presence around the campfire and at the Easter/Christmas/Thanksgiving table will be felt for years to come. I can't help but think of the astounding legacy you've left behind. You and Grandma built a family together, an entire generation of Sheets, and then watched that generation create a new one all across the counry, and again, and again. Now you're gone, but you'll never be forgotten, and your legacy is so astounding it's hard to believe. We should all aspire to the kind of lives my grandparents led, and then we could all leave this world knowing we left it a better place than we found it.

“ Nothing but good memories of John and Bessie, visiting their home in W. Virginia and camping at Sherwood Lake. John's sense of humor was always fun to be around. God bless!

“ To my cousins and their families, please accept my heartfelt condolences. Uncle John was a wonderful man who was loved by all he met. I know he is at peace with his beloved Bessie, who was also one of the sweetest women who ever graced this earth. His niece Faye preceded him in death by one day. I know they are all together with my Mom.
