“ Dear, Dear Dad, I miss knowing you are here and not being able to talk to you. I am so relieved that you are not suffering any more, Kristina and I decided your spirit and soul connected and went above before your body left anyway. I miss you looking at me with that Tweedy eye thing when I said things like that. I am so thankful that Kristine and Gary brought you up to Juneau last summer. I cherish the time we spent together and all the cool Alaska pictures that we took. The Axe throwing championship in the Gold Rush Days was like a fairy tale and a perfect performance, if only your friends and the rest of the Ocala family could have been there to see it! I cried as I sit here and cry to write about it. Dad, we will all miss you from the top of the Tweedys to the bottom. But in Alaska, we will see you in the Northern Lights and in the stars above and know that you are giving a little chuckle down to remind us you are watching!

“ John is now in a much better place. We will all have to wait our turn to be with him again. All the stories of his racing days will be missed. We will always remember he could fix anything with an engine. Boy to have that talent! Know that you are all in our thoughts and prayers. Going by the house will remind us of this wonderful man we will never forget.
