“ It is really hard to believe you're gone Kevin. You were one of the funniest people I've known. You got me in trouble more times than I can remember in school. Always there to cheer me up. I can't recall my school days without thinking of you. I am grateful to have known you my friend. Rest well. 🙏❤️🙏

“ I still struggle with accepting that you left this world. Kevin, you are dearly missed. I am so grateful to have known you and to have had you as a friend, and I will cherish what we shared. I pray continuously for your boys, your entire family, and that your memory lives on in us forever. Watch over us, buddy. Many hugs, bonfires, and tears. 🌹❤️

“ Kevin, we'll miss you, brother. Wish I would have gotten to see you one last time. I'll never forget you. I have such fond memories of when you and your mom moved into the condo in Hickory Valley and we were neighbors. We had that crazy bad snow storm and we'd meet by the big tree and smoke cigarettes. We took many a trip to Aquatic Critter in that baby blue Geo Tracker to get crickets for our lizards. LOL I pray to God you've found peace.

“ *My brother was larger than life to me. He was always telling the funniest stories and could always make me laugh. I miss him each and everyday and would love one more hug from him. I love you and miss you Kevin.*
