“ My heart was broken, My faith in God was all but gone, I hated God for taking you. I was so angry at the world, angry at how undeserved it was. You never had nor would you ever hurt anyone. What has brought me back was knowing your peaceful and gentle spirit would never had allowed you to want me to live this way. Anthony Jr. (T.J.) named his 2 nd son Eli Jonathan David Gramps, He has Blonde curly hair big bright blue eyes. Reminds me of you as a baby. Anthony Has 3 kids with one on the way, Desi has 3 Tyler and the twins Spencer and Ryan. Dustin has his boy Nick all your nephews and nieces will know about you , I promise. Tell God, that I am not right with him yet, But I am working on it. I love and miss you Little bro.

“ I dont know why Gramps came into my mind today but he did and I decided to look him up and lo and behold here si a page to leave memories of Gramps. I do not remember who was all with us the night we had gone out to the old campfire spot behind Z-93 but I remember we all parked and climbed into the back of his ranger and away we went. After a few hours of hanging out we decided to leave and again we piled into the back of that damn truck. LOL Well he hit a patch of sand and the truck jumped and off I feel. I remeber saying to myself "this is going to hurt". Luckily I had enouhg wits about myself to pull my legs in close to keep them from being ran over. Within seconds of hitting the ground Gramps was there to pick me up. All I could say was "Where is my beer." He laughed and handed me another. I miss those times. You are still chershished and missed deeply. Love you brother.

“ A Gentle Giant to all that knew you, But i remember you as a baby, I remember carrying you from our home that burnt down. I watched you learn to walk and talk.I saw you grow up and become such a fine man. Jon theres not a day that goes by that I don't think of you and miss you so much. The world is less by you not being here, As my boys (your nephews) said that you had their back, I know you will have mine when its my time.I don't know if God keeps his favorites around him, but if he does I can see you being there. I love you and miss you Baby Brother.

“ When Shawn called to tell me of Gramps passing I was shocked and saddened for our loss of Gramps, but I remembered his smile, and laughs we had when the gang and gramps fenced me in giving me some feeling of security out in the woods. Gramps was so much help. With Shawn, Ernesto, and Nelson leaving for the Army I was assured by Gramps to call him if I needed help. I knew he meant what he told me. Gramps...a great friend to all, and will be greatly missed.

I will always remeber all of the good times that we shared and will cherish them forever. I will try not to sorrow in his loss but to rejoice in his memory and celebrate the life that he had.
